THE EMPTY CHAIR

... at the Hondo Chamber of Commerce is the one Harry Filleman filled so ably for the past six years.

Harry's not there anymore. He retired and is "working his yard, fishing, hunting and just any old thing his heart desires."

Lillian Porter is now the Secretary-Manager of the Hondo Chamber of Commerce, and she says someone is always coming by to see Harry.

So, I guess I had better write this as a followup to a previous story saying the change would be made. Somehow, some people missed that story.

The community owes Harry Filleman a big "vote of thanks". He performed well under extreme difficulties--particularly a low budget which allowed him only a pittance of what he was worth.

We'll miss Harry and his bouyant attitude on a day-to-day basis, but hope to see him as often as his leisure time pleasures will allow.

HONDO FOOTBALL FANS

... sure hate to lose, and I guess I am one of the world's worst losers.

But sometimes I feel that our disappointment in losing a football game causes us to be overly critical and say things which said in moments of emotion are difficult to retract, and really never meant in the first place.

Friday night was a big disappointment to Owl fans. But multiply that fan disappointment ten fold and you might begin to approach the feeling of the boys on the field and the coaches on the sideline.

There were many areas Friday night where we lost the game. And lest we forget in our disappointment 11 of them were just across the scrimmage line from our Owls. Sure we made costly mistakes, several of them. So it is unfair to pick out any single play, any single set of downs, any single call, any single player and say: "That's where the game was lost."

And lest we forget in our emotional binge, Medina Valley fielded a fine team. They played good ball and kept their mistakes to a minimum. We certainly cannot detract from the Panthers while we are trying to solve our frustrations.

Then, too, why the cloud of gloom! The district play is not over. Medina Valley plays Devine Friday night and that should be a whale of a game. After that we play the Warhorses and should they whip Medina Valley, wow! what a climax the October 27 game will be on Barry Field.

In the game of football, especially in high school, are we Americans beginning to lose sight of its purpose? Is winning the most important thing?

Sure, we want to win and we want our players to play to win (and they do every game), but I sometimes wonder if the reaction of the fans and alleged supporters of the Owls doesn't do more harm than good to the purpose of the program.

How can high school football players learn discipline, sportsmanship, quick, individual thinking and teamwork when every move they make is questioned by crowd of critical, emotional fans!

DRUG ABUSE

... seems to be the topic of almost every article one reads in the newspapers or hears over the television and radio.

Yet, it carries such a high priority of vital concern to everyone that this exposure is needed. Undoubtedly, drug abuse is the one most dangerous and insidious ills of our present day society.

It strikes a hard blow at all of us, even though we don't approve of drug uses, much less partake of them. It hits us in our pocketbooks every day of our lives through the crime it causes, the patients it pours into our mental and other hospitals.

And it can strike at our very hearts! It can hook someone we love.

The most vulnerable are our children. And it doesn't care (or let me say the punks who push it) if we are low, middle or high society, black, brown, white, yellow, intelligent, stupid. They will push it on any-

YANCEY RELIGIOUS EDUCATION BUILDING
... to be dedicated Sunday

Yancey church slates building dedication

A Dream has come true for the parishioners of the Immaculate Heart of Mary Parish in Yancey. Long have they dreamed of an adequate place to hold religious instruction classes for the some 80 children of elementary and high school age who call Yancey their home.

Thanks to the generosity of the Catholic Church Extension Society which donated \$10,000 toward the construction costs and to the Parish members who have assumed the responsibility of raising another \$10,000 the dream has become a reality.

On Saturday, October 21,

the Archbishop of San Antonio, Most Rev. Francis J. Furey will dedicate the new Religious Education Center. The event will take place at 3 p.m.

Assisting Archbishop Furey will be Rev. George Stuebgen, Pastor, and Rev. Emmet Carolan, newly-appointed pastor of Good Shepherd Parish in Schertz, who has been associate pastor at Hondo the past two years.

State Rep. John Poerner will attend and Commissioner Charles Langfield will represent Medina County. Milton Renken, Chairman of the Parish Council of Hondo and

the other Board Members will attend. Domingo Gauna, Chairman of the Parish Council in Yancey and his Board Members will be guests of honor.

Pastors of the neighboring parishes as well as the local ministers will attend the event. The Architect is James Carpenter of Community Design Group of San Antonio Inc. and the Asst. Architect is Mike Imbimbo, a Vista Volunteer. Builder is Bill Sutton of Timely Homes Inc. of San Antonio, a pioneer in the Modular Construction Business.

James Carpenter has graciously donated his services as well as Mr. Imbimbo. They belong to the Community Design Group which is an association of Architects who donate their services in needy community action.

The Center is 2,000 square feet in size with area for five classrooms and a spacious kitchen, office and restrooms complete the structure. Universal Rundle Corporation donated the plumbing fixtures and the parishioners did the painting and the landscaping of the premises. The building cost \$20,000 and is air conditioned and has central heating, wood construction, gravel roof, paneled throughout in Philippine Mahogany. The building was built in five sections at the plant of Timely Homes and then moved to Yancey where it was finally assembled in place. Joe Steward was the foreman in charge. Cost of the completed building is \$10 square foot completed in place.

HD Council sets Tuesday luncheon

Thirty models wearing the latest in fashions will be featured at the Tuesday, October 24 Salad Luncheon, sponsored in Devine by the Medina County Home Demonstration Club Council.

Registration begins at 11:30 a.m. Tuesday at the First United Methodist Church in Devine. The salad buffet will open to guests and members at 11:30 a.m. and tickets will be available at the door for \$1.25.

Fifteen club members from Devine and Natalia will model fashions from Country Casuals, M'Lady's Shoppe and Jopling's Variety Store, all of Devine.

In addition to this, 15 high school girls, members of 4-H organizations, will

model fashions created by themselves. Everything from the latest in evening wear for the holiday season to the smartest of sport clothes will be shown.

As an additional feature, a Bazaar will be open for everyone's enjoyment. It will feature handmade items made by the members of individual clubs and donated to the Council. Prices will begin at \$1.00, with all proceeds going to the Council to help provide 4-H scholarships and defray other expenses.

Everyone is invited to come and taste the 60 tasty salads and enjoy the Style Show and browse the Bazaar. Mrs. Gaye Bippert, 426-2233 in Hondo, or Mrs. Amy Noblitt, 663-2043 in Devine, can provide any additional information.

Runaways handled by police

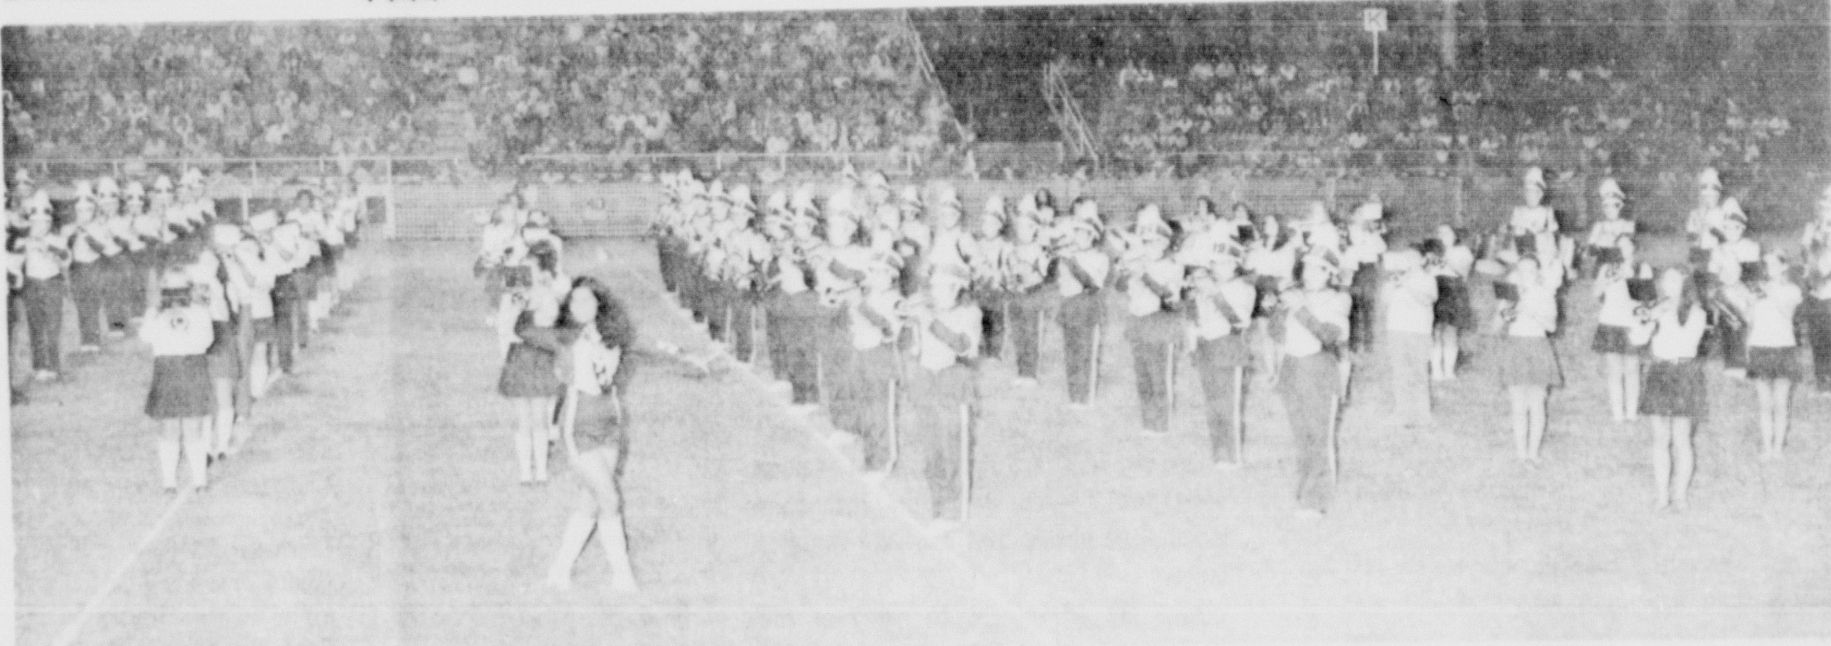

The Hondo City Police heard just a few bleats the other night when they handled two runaways.

Patrolman Arnold Guajardo received a call to come to Sillman's Cafe and Truck Stop to pick up two runaways.

On arrival he found the pair a little difficult to handle, so he put out a radio call for assistance.

Patrolman Jim Shofner answered the call and the two finally, after a lot of bleating, loaded up two runaway lambs and took them to Judge Sandusky's Vet Hospital.

The lambs belonged to Chris and Douglas Cole and had been found on the Highway 173 by Chuck Fellers of Utopia. He left them at the cafe.

Absentee ballots ready at County Clerk's office

Voting by absentee ballot began yesterday, October 18, for the general election to

be held on November 7. The ballots may be cast either in person at the Medina

County Courthouse, or application may be sent by mail to the County Clerk's office, at the Courthouse.

County Clerk Henry Schulze states that the ballot applications will be accepted until four days before the election, or the end of working hours, Friday, November 3. Applications received after November 3 will not be accepted.

Marked absentee ballots for the general election must be mailed back to the County Clerk in an envelope postmarked not later than midnight of the day preceding the election (Nov. 6), or at such a time that they can be received at the County Clerk's office before 1 p.m. on election day.

The total number of registered voters was not available by press time Wednesday from the Tax Assessor-Collector's Office, but from indications in the primary elections, the total should be high, somewhere approaching 9,000 voters.

Junior livestock meet set

Members and Directors of the Medina County Junior Livestock Show Association will meet Tuesday, October 24, 8 p.m. in the District Court Room, Courthouse, Hondo, James Barta, president, has announced.

Natalia will be hosting the 1973 show which is scheduled for February 5th and 6th.

Stock Show Committee and superintendents will be appointed at this meeting.

Other items to be discussed include judges for the County Show, Sifting Committees, Concession Bids, Stock Show Entries, Advertising Ads and Setting up Pens for the Stock Show.

All interested persons are invited to attend.

Parents urged to see film

Young adults and parents in Hondo are invited to go see a movie Monday night, a movie about something that could hit close to home--drug abuse.

The movie will be Monday, Oct. 23, at Raye Theater. Doors open 7:30, movie begins at 8. "On Your Doorstep" is a community action program to combat drug misuse launched last year by the Aid Association for Lutherans and the hour-long film is the heart of the program.

The film features Art Linkletter, who gives a moving presentation which has stirred emotions and opened many eyes. He says drug misuse "has become epidemic and we are likely to lose the very young people who will lead this country in years to come if we do not join to do something about it."

John Dallmann of San Antonio will present the film and give introductory remarks.

Carnival plans underway

Young Hondo trick-or-treaters by the dozen will be haunting the main street of town on Saturday, October 28, as a Halloween Parade kicks off the spookday festivities at 4 p.m.

The parade will form on the west side of City Hall, and children are reminded not to arrive earlier than 3:45 p.m. as the parade will form just before 4.

Most original costumes in the parade will be awarded special gifts, with out-of-town judges presiding.

When the parade is over, a big carnival will begin on the Courthouse Square. Food will include hot dogs, tama-

Important responsibility: be a member of Hondo CofC

By Burnis Lawrence

Posing one of the most important times of the year for local businesses, industries and individual citizens is the annual Hondo Chamber of Commerce membership drive.

Those with their thinking caps on realize how vital an active chamber of commerce is to a growing city. It serves as the city's contact with outside people; it serves as a focal point for local endeavors; it provides the planning board and drawing table for events and action that can alter the direction of the city.

To many, the Chamber of Commerce is the City of Hondo. Through its doors come out-of-town and out-of-state people to inquire about housing, hunting leases, industry, jobs, tourist sites, and a myriad accumulation of other points of interest.

The Chamber of Commerce distributes thousands of pieces of literature annually telling the story of Hondo and Medina County. A majority of these are Hondo Postcards, but hundreds of others are in answer to inquiries from school children wanting information on the city and county, from hunters all over the state wanting leases, from persons and companies interested in moving and wanting to know what Hondo has to offer, and from numerous other persons wanting various information.

The Hondo Chamber of Commerce serves as a clearing house. It serves the area landowners in the field of hunting leases, each year being responsible for hundreds of leases bringing some \$750,000 into landowners' pockets. It serves as a focal point for home and property owners to list rentals, or for persons searching for a place to live to leave their names and needs.

The Hondo Chamber of Commerce serves as a focal point for employers and employees to find each other. In cooperation with the Texas Employment Commission, the Hondo Chamber maintains a file on persons seeking employment as well as a file on employers seeking workers.

The Hondo Chamber of Commerce annually sponsors the Wild Game Dinner, a token of appreciation to hunters for spending a conservatively estimated \$2,000,000 in the county each year.

The Hondo Chamber of Commerce annually stages a banquet to use as a platform for honoring citizens who have contributed their energy, time and money toward building Hondo.

The Hondo Chamber of Commerce

sponsors Texas Industrial Week which gives local residents an opportunity to see what local industries are producing and what their presence in the area means to each and every person living here.

The Hondo Chamber of Commerce annually sponsors a coffee and donut reception for the teachers in the Hondo Independent School District as an effort to show them the local businessmen appreciate their dedication as well as their contribution to the local economy.

The Hondo Chamber of Commerce works closely with the County Agent in sponsoring projects designed to promote agriculture and ranching, the lifeblood of our economy.

The Hondo Chamber of Commerce does other things during the year, like hosting Santa Claus when he comes to visit the children, working with anyone concerning new or expanded industry in town, hosting the region band directors at an annual meeting in Hondo.

Yes, the Hondo Chamber of Commerce does all these things. And it does them on one of the lowest budgets ever imposed on an organization whose very purpose is to build the town it represents.

Why is that budget low? Simply because so many of the businessmen, industries, and individuals either do not belong or pay just token dues to keep someone off their back.

Glancing back over the projects performed each year by the chamber, one will find that these projects cover many people. Do all of these people who are helped in these projects belong to the Hondo Chamber of Commerce?

The answer is no. That they should is an assured fact. But convincing them to do so is another matter. Basically, it is a matter of desire—to see their town grow, to see the necessary projects get accomplished, to be sure their business grows and many other reasons.

Becoming a member can be very easy within the next few weeks. By the end of this week most people in town will have received a letter inviting them to become members. All you have to do is sign your name and pledge your fair share of the money it takes to build the city and area.

Hondo stands at the threshold to extensive growth and prosperity. The Chamber of Commerce will help achieve that growth—if you will help it with your money, your time—your energy—and your thinking.

There is a disadvantage to a small town

THE FILLMORE CALIF. HERALD

Although many of us count our blessings as we read of all the problems large cities are having, there is one item that is rather unique to small communities and of which we seem to have our bountiful share.

Gossip

It is not unique to the small town, but here it comes in its most vicious brand. In small communities, all our lives are on the surface, for all to see, whether we like it or not. Oftentimes innocent conversation, or so called "unusual" activity which would be commonplace or unnoticed in the city, lead the spreaders of this particular type of manure to swing into action.

We received a tearful phone call last week from a woman who said she was leaving Fillmore because her personal integrity and that of her family had been impuned to such an extent that recovery was almost impossible. She said that the gossip had reached such a point that people were accosting her in the street in front of others. Sounds like a Salem witch hunt, well it's Fillmore, 1972.

The called insisted that the gossip was

completely untrue and felt that she was being singled out due to her position and lifestyle. Probably true, but she was also singled out because she picked a small community in which to live.

Many good people live in Fillmore who would no more spread gossip than anything. However, the very smallness and so called "living on the surface" in our community makes it a breeding ground for such smallness.

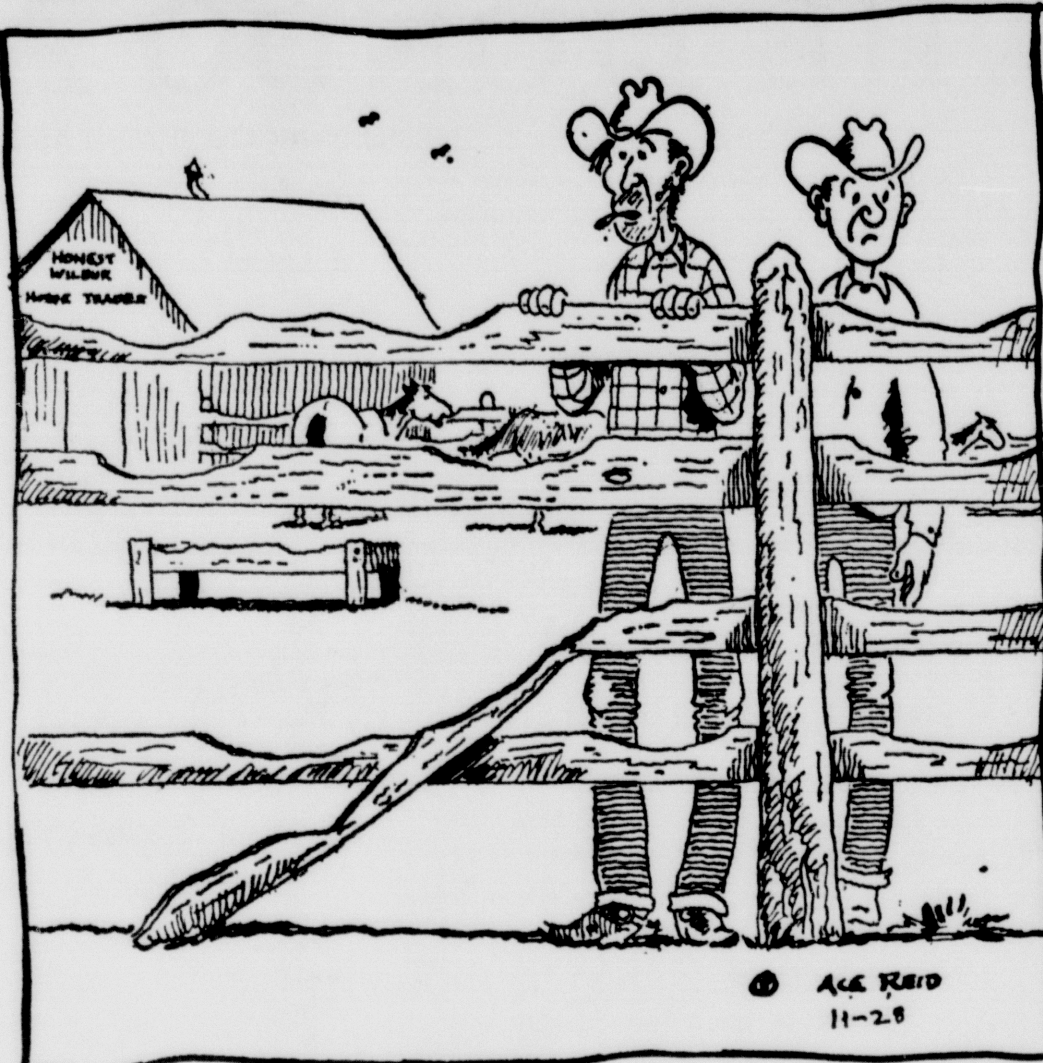

Oftentimes we feel that our personal lifestyle is not only the best but also the only one people should follow. Other persons in the community who don't follow our lead are the target of jealous retorts which grow and grow until they become the gossip that can ruin families forever.

There are advantages to living in the small town, just as there are advantages to living in the city. They are balanced by disadvantages. In the small community the biggest disadvantage is the gossip that permeates nearly every conversation.

Sometimes we wonder if that one disadvantage isn't right up there with the pollution, crime, and crowded conditions of the city.

COW POKES

By Ace Reid

"Wul, looks like Ole Wilbur is feedin' his horses their usual daily rations, a pint of oats and a bushel of splinters!"

Kazen in Washington

The House of Representatives last week faced an issue of such great importance that I want to expalin my vote. The question was on a proposed amendment to a bill setting a limitation on national expenditures. That amendment, offered by Chairman Mahon of the Appropriations Committee, would have required the President to notify the next Congress in January what budget cuts he would make to hold expenditures to a limit of \$250 billion. The Congress then would consider legislation dealing with the President's recommendations.

There was considerable opposition to the Mahon proposal - enough so that it was defeated by a vote of 216 to 167. I voted for the amendment. My reason can be stated very simply: I do not believe the 23rd district sent me to Congress to erode the powers of the Congress, and to build up the powers of the Executive Department.

"HERE THE PEOPLE RULE" It was Alexander Hamilton, many years ago, who escorted a distinguished foreign visitor into the House and told him "Here the people rule". I believe that the House last week cut down the power of the people and gave to the Executive a blank check on government spending. It told the President that we in the Congress would consider programs carefully and then let him veto any one of them by holding back the money we appropriated.

Let me make it very clear that I am concerned about the federal government's rate of spending, and I am fearful that we may need new taxes if people do not prefer

fewer government services. I think we in the Congress have a responsibility to re-examine many programs, to determine if they are still worth the taxpayers' dollars. I believe that I have a big responsibility in this task but I assume my share, and don't want to shrink from it. CONGRESS NOT SPEND-THRIFT

There are current political charges that the Congress has been wasteful. I deny that charge, and the record proves me right. We in the Congress have approved \$4.2 billion less than the President asked for in his budget.

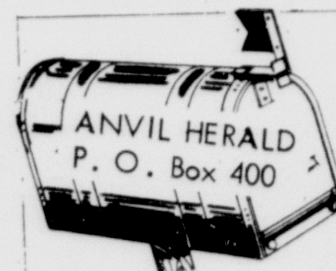

In some cases, we believed the President wasn't asking for enough. We've had 11 bills vetoed - and that veto list gives us strong evidence of where the President isn't sympathetic to the Congress' views of the nation's needs. He has vetoed major bills in three areas: programs to create jobs and put our unemployed to productive work, better care for the elderly, and improved educational and health facilities.

I do not believe the people want such programs delayed, but even stronger is

my feeling that we in the Congress have a constitutional responsibility to fulfill, and we have no right to abdicate authority to the Executive.

FIGHT SCREW WORMS

Amid the pressure of increased floor action as the Congress sought to complete work for this session, it was important to take time to confer with Department of Agriculture officials on the screwworm problem. As I have reported, maximum effort is being made, but the animals are victims of weather in Mexico and south Texas that has been ideal for insect breeding. The Agriculture people assured me that the sterile fly plant at Mission, Texas, will operate at maximum capacity through the fiscal year, and I am confident that funds will be provided to maintain that program. If cold weather the next few months kills flies in south central Texas, special effort will focus on forcing the fly population back into Mexico, and a major international plan for the next five years aims at exterminating flies throughout our nation and much of Mexico.

Letters from the mailbox

Dear Mr. Lawrence

We would like to thank you for supporting the Reclamation Center.

Bonnie Geuea

Dear Sir:

Late Friday evening, Oct. 13, our cross-breed 4-H Club show lambs disappeared from our residence near Hondo. An immediate search began by friends, neighbors and Radio Station KRME running bulletins on the missing lambs.

As the story goes, it seems a stranger traveling on Highway 173 saw the young lambs and caught them and turned them into the Hondo Police Department.

At Sunday noon County Agent Glenn Bragg called to say a bulletin listener said the lambs were at the Hondo Veterinary Hospital and so there will be happy days again for these Medina County 4-H'ers.

Each year youths throughout our nation battle the gains and losses in stockshow projects. Many losses are due to the loss of ownership,

accidentally or by intent of others, disease and death.

But youths gain understanding of the stockshow project and are prepared for responsibilities of ownership. They gain knowledge on health, grooming, feeding and how to exhibit their project to the public, the consumer.

They also learn of the many opportunities that can be gained through these projects, today as a youth, and in later years as an adult. Stockshow projects in Texas are among the top three favorites selected by 4-H'ers with the demand becoming greater each day as our nation faces meat shortages.

Thank you for your interest in and support of today's youth.

Sincerely,

Chris and Douglas Cole, Medina County 4-H Club Members

P.S. No one seems to know who the stranger was, but we hope he is an Anvil Herald reader so he knows how much we appreciate his action.

one so they can hook them into their web of crime, misery and wasted lives.

You say I come on too strong?

Then may I invite you to a movie Monday night (October 23) at the Raye Theater and perhaps you will come away convinced that I am not strong enough.

"On Your Doorstep" is a movie about drug abuse and is aimed at the parents and young adults. It is being sponsored by the Hondo Police Department as an educational project.

Go see it. Let its message sear your soul. Then let's join in helping stamp out this tragic social ill.

We can start in Hondo, you know.

RALPH HAUGER

. . . at E. R. Leinweber Co. has a good thing going for people who have servicemen anywhere overseas. He says if you will purchase their Christmas gifts from him, E. R. Leinweber will pay the surface postage to whatever destination.

Ralph tried this approach last year and met with great response. So he is trying it again. He has a list of mail deadlines to meet so all who are interested might contact the store.

WHO WAS IT

. . . that said something about going to sleep at the switch! Well, I must have slept one entire day, and it cost me better than \$6.00.

Last Tuesday night (I mean of last week not this week) I wrote some of the checks for our personal bills. I dated each and everyone one of them October 9.

The next day I waltzed into the City Hall to pay my utility bill with that check dated October 9 and Vangie Pimentel informed me the day was October 11 and I would have to pay the penalty.

Well, believe you me, I was mad—at myself, mind you—and embarrassed.

But I would still like to know where October 10 got away to, for it sure didn't check with me before leaving.

THERE'S ALWAYS

. . . a place to spend your money. But right now appeals are being made by two local organizations that be placed at the top of the "important" list.

Funds are being sought by the Hondo Volunteer Fire Department through the annual mailout of post cards. There is no way you can go wrong by supporting our Firemen and the job they do in protecting our businesses and our homes.

The second important drive is the one through which the Hondo Chamber of Commerce seeks members.

I'll admit this is a pet project of mine—but only because I sincerely believe that every town worth its salt needs an active chamber of commerce. And Hondo certainly falls in that category.

Every businessman and many of the individuals in the city and immediate area should be an active member of this organization. It helps both the town and the individual.

So why not pinch that checkbook a little harder and write what you feel is your fair share for both of these organizations that help Hondo!

A SIGN ABOVE

. . . the desk of Gordon Fulcher, editor and publisher of The Texas Star, says: "Good character—like good soup—is usually homemade."

Sis McDade sends me this one from the Sparkling City by the Sea—Corpus Christi: "Sign in supermarket says, 'If you think the price of beef is high, cigarettes are \$6.50 a pound.'"

GOSSIP MILLS

. . . are a dime a dozen in Hondo and other small cities and communities across our country. They are vicious disadvantages to small town living.

A case in point is the editorial we are using this week from the Fillmore, California, Herald. After reading it, stop for a moment and see if you can place your finger on any gossip mills in Hondo.

Then when you have located them, make it a point to steer clear of them.

Who knows? The next rumor you start or spread might come back to haunt you!

Chamber joins area system

The Hondo Chamber of Commerce is one of 20 south Texas local chambers participating in the South Texas Chamber of Commerce legislative reporting system during the current special session of the Texas Legislature.

Under the system, the regional chamber prepares a weekly report on the action taken during the special session and forecasts the following week's activities in Austin. A ballot is included with each report.

Local chambers return the ballot expressing their views on matters likely to be acted on during the week ahead. The information received is then furnished to the legislators in writing.

Police probe theft

Hondo police are investigating the theft of \$11 and several other items from an 18th Street home during the noon hour Thursday.

Officers said a woman who identified herself as a representative from a San Antonio Religious Group talked her way into the home

of Mrs. Oranday at 1704 18th Street, and before leaving took \$11 cash, two plants and a mirror. Police said Mrs. Oranday said the woman left in a car with a man.

Usry-Ingendorf vows exchanged in Harlingen Baptist Church

Marriage vows were exchanged between Miss Iva Jean Usry and James Robert Ingendorf, Jr. at 7:00 in the evening at First Baptist Church, Harlingen, on Friday, October 13, 1972 with Rev. J. W. Ware, minister, officiating.

Parents of the couple are Mr. and Mrs. Leo C. Usry of Harlingen, formerly of Hondo, and Mr. and Mrs. James R. Ingendorf, also of Harlingen. Both of the couple's parents were married in the Harlingen First Baptist Church.

Decorations of red and white bows on large candleabras and red and white bows for pew markers were used in the church. "Whither Thou Goest" and "More" were sung by Misses Billie Kibler and Jackie Jordan, accompanied on the organ by Mrs. Jim Elmore of Harlingen.

The bride, given in marriage by her father, wore a gown of slipper satin with Chantilly lace on all lace parts. Lace appliques were on the empire waist and front. Also the gown had lace yoke and full lace sleeves. Her train was of slipper satin with

lace across the bottom and up the center. She carried a cascade bouquet of red and white roses, baby's breath with red and white bows.

The bride's maid of honor was Miss Judy Ann Sturm of Hondo. Bridesmaids were Gloria Mills of Harlingen, Melissa Brackmeyer of Harlingen and Debby Ingendorf, sister of the groom, also of Harlingen.

The attendants were attired in dresses of red crepe with flounce sleeves, empire waist and A-line skirt. At the waistline was white satin ribbon. They carried single long-stem red white roses with streamers.

John L. Kibler, Harlingen, served as best man.

Groomsmen were Jackie Scoggins, Terry Gray and Carlton Diettel, all of Harlingen. Ushers were Craig Smith, Harlingen, and Carlton Diettel.

Following the ceremony, a reception was held at the Fellowship Hall, given by the bride's parents with 150 guests in attendance.

After a wedding trip to Padre Island, the newlyweds are at home at 909 E. Jackson in Bonham, Texas where Mr. Ingendorf is employed with the Texas Federal Inspection Service in vegetable inspection. He attended school in Harlingen and his bride attended Hondo High School and graduated from Harlingen High.

Engagement announced

Mr. and Mrs. Woodrow Hoffman, Edinburg, Texas, announce the engagement of their daughter, Carol Ann, to Mr. Stephen Leslie Hollaway, son of Mr. and Mrs. J. W. Hollaway of San Antonio.

The wedding is planned for December 30, 1972 at the First United Methodist Church of Ballinger, Texas.

Carol is a Junior at Texas A&M majoring in sociology. Stephen is a Junior at Texas A&M majoring in Fisheries Ecology-Aquaculture.

After their marriage Carol and Steve will be at home at Texas A&M to continue their studies there.

This week All she wrote by Edna McDade

Possums are taking advantage of October's delightful weather to invade this coastal city. They are being reported all over town. (Sweet potatoes are also in plentiful supply.)

In all my many years, I had never had a really close-up view of a possum until yesterday when one came ambling across the street while I was getting the afternoon paper. With no signal light to guide it, the poor pedestrian fell victim to traffic.

With no knowledge of possum-ese, I consulted Audubon and learned that this amusing creature is the only marsupial (pouched animal) in the U.S. where they are found in a wide area from the Canadian border to the Texas coast. Eighteen new-borns can fit in a teaspoon and, no wonder, as the average weight at birth is 1/270th of an ounce!

A pleasant surprise last weekend was a phone call from MERLE (Mrs. W. W.) WATSON whose voice I recognized and was delighted to hear. She and WILEY were on one of their couldn't-wait-any-longer visits to their two daughters and sons-in-law but, mainly, to check on the grandchildren.

"We can stay away just so long," said Merle and suddenly we find the car headed for the coast!"

The story (last week) about the City of Edinburg's MCA Planning Co-ordinator, D'Hanis native MARIO MORENO, made me wonder if he is the older of the two sons of the GILBERTO MORENOS, formerly of D'Hanis, and now of SA. Mrs. Moreno is among my Medina County friends. The younger son is HECTOR, if I remember correctly.

When I read news stories in the local papers, with a PEGGY SIMPSON byline, my memories take me back to the days when PEG served as editor at the ANVIL HERALD. We shared special chores on the 75th Diamond Anniversary Edition in 1963.

Reading about the forthcoming Halloween Carnival (St. John's School sponsorship), I recalled one which Peggy and I attended when we shared seats on the courthouse curb to eat our Mexican dinners. I played fortune teller and told her I could see a nation-wide "Page 1" with her byline in her future. Sure enough, and I didn't consult J. Dixon!

Belatedly, I extend congratulations and wishes for her usual good-job-well-done to EVELYN PLETZ of Devine (Credit Bureau of Medina County) on her election to the vice-presidency of the Association of Credit Bureaus of Texas.

Evelyn gets things done and never seems to run out of enthusiasm for the task at hand.

Nueces County has four area Grandmother Clubs, affiliates of the National Federation of Grandmother Clubs of America, Inc.

A recent report of one of the meetings said "Somehow, the Grandmothers managed to take care of the day's business but it interfered greatly with the bragging sessions and the showing of pictures which each one just happened to have brought along."

It was needless to have added that the proverbial good time was had by all! By the way, does Medina have any such affiliate clubs?

Some weeks ago, I read about the Court of Honor held by Hondo's Scout Troop 219 of the Tejas-Medina Valley District.

I know how proud JOHNNY KALINOWSKI's father must have been of his son's Citizenship in the Nation merit badge. Of course, BARBARA (or Betty) deserves some of the credit and I'm sure she shares John's heart-felt pride.

Scoutmaster JACK HEATH and his assistant SM BILL SAATHOFF are doing a fine job with our future Leading Americans.

I'll be interested to know how the General Education Development Program (leading to the equivalency of a high school diploma) is progressing.

Sounds like Opportunity is knocking the second time.

If your math quiz includes this: "If it takes 2 men 2 days to dig 2 holes, how long will it take one man to dig half a hole?" be prepared:

A neighborhood youngster tried this one on me and (luckily for me) answered before I couldn't have: "Nobody can dig half a hole!"

I DID IT ALL BY MYSELF!

Ceremony unites Deborah Heyen & Joe Bob Barnett

Miss Deborah Ann Heyen became the bride of Joe Bob Barnett in a candlelight double-ring ceremony on the evening of August 26, 1972 at First United Methodist Church of Hondo. Rev. Homer Weimer, pastor, officiated.

Miss Heyen is the daughter of Mr. and Mrs. Chester Heyen of Hondo and Mr. Barnett is the son of Mr. and Mrs. John W. Barnett of San Antonio.

The church was decorated for the candlelight ceremony with mixed flower arrangements set in wicker baskets and flanked with spiral and tiered candelabras holding white tapers. The pews were continuously set off with bows and looping white satin ribbon. Karen Kuykendall provided the music on the organ and piano.

The bride was given in marriage by her father. She wore a Juliet-styled full-length gown fashioned of "soupeau" sheer applique with Venice lace also repeated on her cap-type head-dress and veil. The gown also featured long full sleeves. She carried a traditional bouquet of white phalaenopsis (butterfly) orchids, sweetheart roses and ball pompons accented with green ivy foliage.

Maid of honor was Miss Sharon Nester of Hondo. Bridesmaids were Susan Meyer, Hondo, and LeeAnna Steubing of San Antonio, cousin of the bride. They were attired in pink organza fashioned after the bride's gown with scooped neck and full-length veil, and pink sandals.

To accentuate the church decorations, the bridesmaids carried wicker baskets of assorted flowers consisting of asters, roses, daisies, corn-flowers and baby's breath. Their hairdos were adorned with a floral clip of pink sweetheart roses and baby's breath with long pink velvet ribbon streamers flowing down their back.

The groom's best man was Douglas K. Hyatt of Austin. Groomsmen were John L. Barnett, brother of the groom of San Antonio, and Charles Zey of McAllen. Serving as ushers were Bill Pittman and Richard Robertson of San Antonio, G. Lynn Smith and Robert Devine of Houston and Jon Bader of Hondo.

Following the ceremony, a garden reception was held at the home of the bride's parents. The patio and yard were set off with hurricane lamp stakes holding burning

white tapers. The entrance was decorated with a white wrought iron archway decorated with baskets of ivy on either side and hurricane lamps. An ivy trellis was used as background for the champagne fountain. Large white wrought iron bird cages with English ivy holding live white doves were used to add to the decor. The gift table was set off with a bamboo screen flanked with green plants. The garden decor was further enhanced by the use of ivy, blooming plants and calladiums set out around the yard. Hurricane lamps holding burning pink tapers and small mixed arrangements were used to decorate the reception tables.

Serving at the reception were Karen Vasocu, Longview, Vickie Birdwell, Houston, Susan Hartung, Hondo, Nancy Steubing, cousin of the bride of San Antonio, and Gina Armstrong, cousin of the groom of Laredo. At the bride's book was Tara Gaye Bryden, cousin of the bride of San Antonio and Joyce Steubing, also a cousin, was at the gift table.

The couple is now making their home in San Antonio where the groom is a sales representative for a cash register company and the bride is an interior designer at a furniture company. Mr. Bar-

Diets for elderly expensive, careful planning needed

By Gaye Bippert
Medina Co. Extension Agent

Diets for elderly people can be expensive unless planned carefully. Mrs. Gaye Bippert, County Extension Agent, pointed out this week. Their diets should be high in protein, minerals and vitamins rather than energy foods. Although often cheaper, energy foods are needed less as people become less active physically.

"Protein foods, such as milk, meat, fish, poultry and eggs, can take a large share of the limited food dollar," she explained. And unless purchased wisely, the recommended green, yellow and leafy vegetables, tomatoes and fruits also may run up the tab.

"However, there are ways of keeping costs down considerably and still having a good diet," Mrs. Bippert continued.

Through planning and careful substitutions, elderly people on modest incomes can help control costs.

For example, certain foods can cost much more than oth-

REHEARSAL DINNER

The rehearsal dinner was held Friday, August 25, at a steak house in San Antonio honoring the bride and groom, guests, hosted by the parents of the groom, Mr. and Mrs. John Barnett.

PARTY

On August 19 Miss Susan Meyer entertained with a garden party at the home of her parents, Dr. and Mrs. John H. Meyer honoring Debbie and Joe. Present were parents of the bride and groom; Dr. and Mrs. Meyer; and close friends of the couple.

ers of similar nutritive value and use. Her is where substitutions become important.

Relatively low-priced vegetables include carrots, some leafy greens and many canned vegetables.

Fresh produce also may be low in price when in season. "Citrus fruit has been an economic buy for Vitamin C in the past few years," she noted.

Sometimes considered too expensive, milk actually is an inexpensive source of calcium. But for those on a tight budget, the agent recommended using evaporated milk or nonfat dry milk for cooking.

Probably the biggest problem is meat.

Although prices vary, often the best buys are the leaner cuts, which can be made tender by chopping or low, slow cooking. Fish is another protein source which may be inexpensive, depending on location. "And poultry is a very good buy this season," she pointed out. "So is liver with its high nutritive value."

An important savings practice to remember is not to buy or prepare too much of any one food.

Older people generally need and prefer smaller quantities of food than younger people. Any wasted food hurts the budget, she concluded.

Award winning restaurant

Sammy's Drive Inn in some ways is as new as tomorrow, but the original idea of a good eating place

goes back all the way to 1949. In that year, brothers Sammy and Leon Tschirhart opened an ice station on the east side of the Medina River.

In 1951, they added hamburgers and soft-serve ice cream to the operation, and provided curb service to their customers. Sammy ran the hamburger business as soon as he graduated from high school, in 1952.

After two years in the service as a cook, Sammy returned to Castroville, and in 1959 he bought the building and property of the cafe from his brother. Since that time, Sammy has improved both the building and the service, while extending the menu, until today the Drive Inn

serves more than 160 people at once, with a complete menu. More expansion and improvement is planned for the future, as new growth demands it.

Sammy was honored last June as the Outstanding Restaurateur of the Texas Restaurant Association, of which he is a member.

The honor reflects his dedication to providing high-quality, yet reasonably priced meals for a wide range of customers; from his 4 a.m. Hunter's Breakfast during hunting season, to his after-Church Sunday dinners.

"We invite all of you to come to Sammy's the next time you eat out. Our foods

have been specially prepared for your enjoyment," say Sammy and his Drive Inn staff.

H D Club Meets

The Hondo Home Demonstration Club held its October meeting at the Hondo City Hall on the 10th. The program was given by Mrs. Shirley Foster on Political Conventions and some rules of elections. Mrs. Foster discussed with us the process of being elected a delegate to a political convention. Numerous questions were asked by the club members.

The Home Demonstration County Council will sponsor a salad luncheon and style show on Tuesday, October 24, at 12 noon at the Devine First Methodist Church. Each club member will be responsible for the selling of two tickets which are priced at \$1.25. Anyone interested in purchasing a ticket can contact Mrs.

Martina Saathoff. In conjunction with the luncheon the Council will also sponsor a bazaar of items made by the club members priced at \$1.00 up.

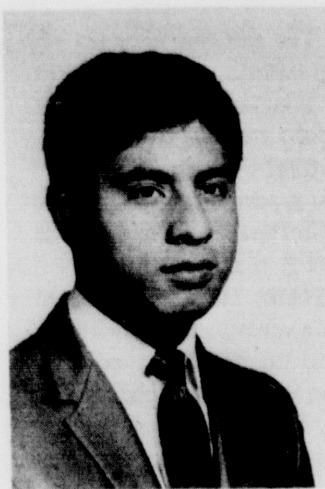

Reports were given by Mrs. Martina Saathoff and Mrs. Patsy Graff delegates to the THDA State convention. New material they received at the convention was shown.

Hostess at the meeting was Mrs. Phyllis Muenink and we had one visitor, Mrs. Dorothy Miller. The next meeting will be held at the home of Mrs. Doris Saathoff on November 14 at 1:30. Anyone interested in joining or visiting our club is invited to attend. The program will be given by Mrs. Gaye Bippert, County Home Demonstration Agent.

Mrs. Antonio Cervantez of 1505 17th St.; and Armando Gonzales, son of Mr. and Mrs. Jose Gonzales of 805 17th St., have enlisted in the Marine Corps, according to recruiter Sgt. A. Posada.

Johnny and Armando elected to buddy program and are scheduled to depart for the Marine Corps Recruit Depot, San Diego, Calif. in November.

Prior to joining the Marine Corps, Joe attended Hondo High School and is a graduate of the class of '72. Joe elected the two-year program enlisting via the 180 day delay program which enables him to depart for recruit training and active duty up to 180 days later. He will begin active duty in November, at the Marine Corps Re-

cruit Depot, Parris Island, South Carolina.

Homemakers fete families

Hondo Young Homemakers entertained their husbands and children with a social following the Hondo-Medina Valley football game on Friday, October 13. Twelve families gathered in the Homemaking Annex to sample the snack buffet while re-playing the night's game.

During their regular meeting on Tuesday, October 17, the members heard reports from delegates who attended the recent Area VII Convention in Fredericksburg.

Mrs. Bruce Foster then gave an informative talk discussing the opportunities available to women who wish to participate in politics. She also presented some of the highlights from the National Republican Convention which she attended. Mrs. Foster represented the 23rd Congressional District as an Alternate Delegate.

The day was completed with a cupcake feast provided by Mrs. Wentz and Melissa Dominguez.

All eleven members, Sheila Balzen, Melissa Dominguez, Debbie Saathoff, Della Rios, Sharon Schueling, Lisa Schweers, Kay Wentz, Michelle Glowka, Pauline Aelvoet, Darlene Formann, and De'Ann Weimer were present for the trip. Those providing transportation and care for the group were the father of Kay, John Wentz, the sponsor, Mrs. Art Formann and the leader, Mrs. Homer Weimer.

entation said, "Tuberculosis has not been eradicated. There must be constant vigilance to detect it and prevent its contagion. Science has provided medication to control and arrest the infection of it is found early. An average case now only requires minimum hospitalization followed by a treatment of simple pill taking and check-ups over a long period to prevent reactivation. But, until a breakthrough in complete immunization is discovered, there can be no let-up in our efforts. A single case can infect many."

In signing the proclamation, Judge Decker urged community support of the Appeal, and the necessity for the services it provides to help improve the general health in Medina County.

Beside Mrs. Strayhorn, Dr. W. S. Duty of Hondo, also serves on the Board of Directors of the AATRDA representing Medina County.

Bluebirds tour Museum

The third grade Blue Birds chose to call themselves the Globetrotters. Kimberly Gruber was elected president and Cara Modgling treasurer. We made a trip to the Museum which was very interesting. Last Saturday we had lots of fun hiking around Camp Mary Louise. Mrs. O. M. Redus is our leader. Thursday the group will be having a field trip at Hondo City Park searching for tidbits of nature. --Brenda Dugan

Muenninks Attend Floral Meets

Mr. and Mrs. Donald Muennink recently returned home from Monterrey, Mexico. They were in Monterrey for the Asociacion De Floristas, VIII Escuela Internacional De Diseno, where Mrs. Muennink was an Associate Designer.

This is an international school of design and is widely known and acclaimed. While there, they were honored with a banquet and luncheon.

Last weekend Mr. and Mrs. Muennink and daughter, Lesley, attended the Central Teleflora Unit's Christmas Design School, where Mrs. Muennink again was an associate designer on the panel.

The designers on this panel were from throughout Texas. This school was mainly on Christmas designs and merchandise which will be new for the first time this year. Although some old favorites were shown.

Lesley assisted her mother and Bernie de la Vega of San Antonio and also served as a page for the school.

Former teacher honored

Chester F. (Chet) Hunt, former Hondo High School English teacher (1962) and University of Texas journalism assistant professor, has been named a Distinguished Advisor in the Newspaper Fund's 1972 awards program.

Hunt, now teaching journalism at Robert E. Lee High School in San Antonio, is one of three teachers in the nation to receive a \$500 grant for creation of a Journalism Learning Center.

J. G. Horton of Sabinal was named one of Ten Merit Award winners and will receive a grant of \$250. He was nominated by the Journalism Department of Southern Methodist University.

The Newspaper Fund is a non-profit foundation supported by Dow Jones and Company to encourage young people to consider newspaper careers.

FLORAL DESIGNERS

... at the recent design school in Monterrey, Mexico shown here are (l-r): Haskell Eagle, Monroe, North Carolina; Fernando Escobar, Mexico City, Mexico; Phyllis Muennink, Hondo; Bernie de la Vega, San Antonio; and Charles Ladymon, Dallas., designers and associates.

Medina SWCD Directors to attend Houston meet

Medina Valley Soil and Water Conservation District Directors Harlan Wolff, Frank Silvey and Franklin Muennink and Everett Abbott, District Conservationist of the Soil Conservation Service, will attend the annual meeting of the Texas Soil and Water Conservation District Directors in Houston on October 17-19, 1972.

Lieutenant Governor-elect Bill Hobby will be the honored guest at a buffet reception on Tuesday, October 17.

Dolph Briscoe, Democratic nominee for Governor, will be the speaker at the banquet Wednesday evening, October 18.

Wives of the men will also attend.

Harlan Wolff is chairman of the Medina Valley SWCD. Clarence Wurzbach is vice-chairman and Lloyd Hardt is Secretary-treasurer. Other directors are Frank Silvey and Franklin Muennink.

Youth rally held

A round-up and welcome was given by James Thompson and Glenn Lackey from San Antonio. Volley ball, football and games were played followed by a fellowship hour.

Refreshments of hot dogs, potato chips, marshmallows, cookies and tea were served. Women of the church who worked to make this event a success included Mesdames Tom Elliott, Ray Chant, W. L. Pittman, W. C. Richardson, Leroy L. Armke and Mrs. James Thompson.

The Natalia Church of Christ sponsored a youth rally at the church Saturday afternoon from 4 to 10 p.m.

Mrs. Hubert (Louise Saathoff) Burger, 88, passed away in Brown's Nursing Center October 10, 1972. Funeral

services were held at Guinn-Horger Chapel October 12 at 3 p.m., Rev. L. S. Dabberly, pastor of New Fountain Church, officiating.

A housewife, Mrs. Burger was born November 9, 1883, in Medina County, the daughter of the late Henry and Anna Oeffinger Saathoff. She married Hubert Burger in New Fountain Church in 1908. She was a member of the Methodist faith.

Surviving Mrs. Burger are one son, Jessie Burger of Medina, Texas; one daughter, Mrs. Rolf (Evelyn) Saathoff, Hondo; five grandchildren and six great-grandchildren.

Mrs. Burger was preceded in death by three sisters, Mrs. Charles Britsch, Mrs. Anton Burger and Mrs. Fritz Fuos, all of Hondo; and two brothers, W. J. Saathoff and Ernest Saathoff, also of Hondo.

Pallbearers were Stanley Burger, Myrlin Balzen, Roland Britsch, Jim Lynch, Claude Tschirhart and Henry Carle. Interment was in Oakwood Cemetery, Hondo. Arrangements were handled by Guinn-Horger Funeral Home of Hondo.

Mrs. Burger dies in local nursing home

Lifetime resident of LaCoste passes away

Mrs. Consuela Pimentel, age 62, of LaCoste, passed away in San Antonio on Sunday, October 15, 1972 after a long illness. She was a lifetime resident of LaCoste.

Mrs. Pimentel is survived by her daughters, Mrs. Lupa Millecky, Mrs. Maria Monlepotogo, Mrs. Connie Olivian of LaCoste, Mrs. Frances Gutierrez and Mrs. Lydia Salazar of San Antonio; and sons, Adolfo, Juan, Herman and Armando of LaCoste, Gus

and Octavio of San Antonio, and Ray of Castroville; 18 grandchildren and one great-grandchild.

Rosary was held Tuesday, October 17, at 7:30 at the home of the deceased in LaCoste. Funeral Mass was Wednesday, October 18, at 10:00 at Our Lady of Grace Catholic Church in LaCoste. Interment was in the LaCoste Cemetery with Tondre-Guinn Funeral Home of Castroville in charge.

Cowboys, 'Jackets in 21-21 tie

The D'Hanis Cowboys, behind the running of Spencer Burrell, scored three touchdowns Saturday night, but so did the Yellowjackets of St. Anthony's, and neither team could move ahead before the game ended.

D'Hanis opened the scoring on the first play of their second possession when Spencer Burrell took the ball around right end, and kept going, 40 yards for the score. The kick for the extra point was no good, and the score was 6-0 with 8:32 left in the opening quarter.

St. Anthony's countered with their own long yardage play, a 30-yard pass from QB Carlos Velasquez to end Mike Lowther. Their kick also went away and the score was tied at the end of the first quarter.

Lowther and his brother, Dan, a rugged running back, accounted for almost all the rushing and passing yardage of the night for the Yellowjackets.

In the second quarter, the Cowboys launched another drive, this time from their own 42. The drive carried down to the Yellowjacket 7 behind the running of David Santos and Burrell, and a 14-yard pass from Ricky Rothe to Burrell. The final seven yards were hammered out by Burrell with 9:17 in the half. This time the conversion was good, and the Cowboys led again, 13-6.

But later in the quarter, back came the Jackets. Taking a punt on the D'Hanis 40, three runs by Eloy Fernandez moved the ball to the 10, before Dan Lowther and Velasquez drove to the 1. From there, Lowther plunged over. The Jacket kick was good this time, too, and at halftime, the score was deadlocked again.

The second half opened with a D'Hanis drive that lasted to the St. Anthony's 10 before a fumble gave the gull away. The Jackets were also unable to move, and their punt gave the Cowboys the ball at the Jacket 35. From there, in nine plays, Burrell made the last yard to regain the lead. A two-point conversion pass from Bobby Joe Rothe to Burrell was successful, and once again with almost 6 minutes left in the third quarter, D'Hanis led 21-13.

But, following the runs of Dan Lowther, the Jackets took the kickoff on their own 25 and steadily drove it downfield. Lowther added the final two yards of the drive, over guard. The two-point conversion try by Lowther was no good, but a flag indicated D'Hanis to be off-side. The next try, by Fernandez, was good and the score was tied for the fourth time at 21-all, with 9:50 in the game.

Both defenses stiffened after that, and neither team again threatened the goal of the other. One St. Anthony's drive ended when a fake punt-pass was intercepted at the D'Hanis 19, by Richard Rothe. The final offensive play of the Jackets was another interception, this time by Fiden-cio Garcia at the Cowboy 20.

Meanwhile, D'Hanis could not cross midfield, having a Ricky Rothe pass picked off by the ubiquitous Dan Lowther on the 49 of the Cowboys.

The game ended with the ball in Cowboy possession, but too far at the D'Hanis 32 for a field goal attempt.

Friday night the Cowboys will meet Natalia in an 8 p. m. game at Cowboy Stadium.

The game promises to be a good one, with Natalia a pre-season pick to finish ahead of district mate Brackettville.

GENE McANELLY . . . eludes a tackler to gain first down in fourth quarter play.

What did they learn

about drugs today...

....and where?

Maybe their class had an open discussion about drugs today. All of them. The psychedelics, heroin, grass. If they did, they were lucky- because they got facts. Fortunately, lots of relevant things go on in schools these days.

On the other hand, if they learned about drugs on the street- they got dangerous, irresponsible information... the kind that kills.

Remember. Street talk is for suckers. Facts can save their lives.

Frosh win, B-team lose to MV

Hondo and Medina Valley teams split in Thursday night football action with the Hondo Freshmen routing the Panther Freshmen 46-13 while the Medina Valley "B" team reversed an earlier loss and beat the Owl "B" team 15-8.

The lone Hondo score in the B squad game came on a

short burst by Sam Nooner following an Owl drive. Both teams controlled the ball and moved well with only one punt recorded in the game.

The Owl Freshmen exploded for their biggest win of the season as Lee Haile scored three times and David

Knowles tossed for three touchdowns. Haile, George Loera and Domingo Gallardo scored on passes from Knowles the longest 60 yards to Loera. Haile also scored on runs of 10 and 58 yards. Rickey Guedea also scored for the Freshmen on a short run.

District race continues

The race for the crown of District 28-AA was reduced to a one-team lead after last Friday night's activity was over. Hondo plummeted from the co-leader to a partnership in the #4 spot with Dilley.

Devine, after trouncing Cotulla 51-0, took over sole possession of the lead, joined at a distance by Medina Valley and Pearsall.

The second two teams both have played only one district game so far, while Devine has played two; but all three are undefeated and untied.

This week's games will lend a touch of drama to the proceedings as Medina Val-

Hondo Women's Gold Association held their annual Ladies Invitational tournament October 10, at Hondo Municipal Golf Course.

The winning team, with 56 score, was composed of Blanche Eubank, Marge Ball, Ruth Zinsmeyer and Lynette

Franklin.

Second place, with 57 were Ester Aramburu, Hildegard Hall, Alta Eardley and Capli Heyen.

Three teams tied for third place at 58. They include Sue Ann Graft, Elizabeth Cotulla, Kay Ehlinger, Connie Watts, Claire Westbrook, Etta Hill, Ruth Lively, Ann

Jones, Eugenia Been, Tommy Koerth and Toni Arnold. Low gross with 79 was Mildred Haesser.

Low net was a tie between Frances Wilson and Kay Ehlinger.

Closest to the hole for a drive on #5, was Toni Arnold. Longest drive was by Frances Wilson.

LOW SCORES

Legal notice

NOTICE OF ELECTION TO BE HELD NOVEMBER 7, 1972.

FOR THE ELECTION OF ONE DIRECTOR OF THE EDWARDS UNDERGROUND WATER DISTRICT FROM THE MEDINA COUNTY AREA WITHIN THE DISTRICT

Notice is hereby given that an election shall be held in the Edwards Underground Water District on Tuesday, November 7, 1972 in accordance with the Act creating the District, the Resolutions and Orders of its Board of Directors and the laws of this State for the purpose of electing one Director from each of the five (5) County Areas of the Edwards Underground Water District to serve as members of the Board of Directors of said District for six (6) years commencing January 1, 1973. The said Directors from the five res-

pective County Areas shall each be elected by a plurality vote of the qualified voters of such County voting in this election.

Absentee voting in each of the County Areas of the District will be held at the office of the County Clerk of the respective County in accordance with procedure established by the County officials of such County for the General Election to be held November 7, 1972, not more than twenty (20) nor less than three (3) days prior to that date, or by mail in the manner provided by law.

As to the election to be held for Director from the Medina County Area of the Edwards Underground Water District, the election precincts for the District's election have been designated to be identical with those designated by the Commissioners

Court of Medina County, Texas for the year commencing January 1, 1972, as to County Election Precincts No. 3, 6, 8, 14, 15, 16 and 21 and that County Election Precincts No. 1, 2, 5, 7, 9, 11, 12, 17, 19 and 20, which lie partly within this District and partly outside of this District, were designated, insofar only as such designated County Election Precincts lie within the boundaries of the Edwards Underground Water District. The election precincts numbers for this election shall correspond to those for the County Election Precincts. The polling places for each of said election precincts shall be those polling places designated by the Commissioners Court of Medina County, Texas for the General Election to be held on November 7, 1972, concurrently with this election. The polls shall be open from 8 a.m. to 7 p.m. on such day. The officers of said election for each respective polling place (voting precinct) and for the absentee voting are and shall be those duly designated and appointed to serve for such General Election for County Election Precinct Nos. 1, 2, 3, 5, 6, 7, 8, 9, 11, 12, 14, 15, 16, 17, 19, 20 and 21.

The County Chairman of the Medina County Area is Bradley Bailey, Yancey Star Route, Hondo, Texas. Wm. H. Spice, Jr., Chairman Board of Directors Edwards Underground Water District

EQUAL OPPORTUNITY EMPLOYER

Orangemen edge Owls 21-20

The Owls matched point for point with an inspired Medina Valley football team Friday night at Barry Field, but when the final whistle

blew, the Panthers won the game by a single point, 21-20.

The game was one of those classic matches between two top-flight football teams. No one expected an easy win for either side, and there would be no tie. There was no play or player which sealed the loss for the Owls. There was only the clock and the Angry Orange.

Hondo started the scoring after two possessions, one of which ended with the only Owl punt of the night, the other with a fumble.

Taking the ball at their own 7-yard line after a David Stein punt, the Owls set to work with Keith Ligon and Tony Hackebell alternating

with short gains. Down to the MV 43-yard line they drove, until with third and ten, Finger tossed incomplete. The Panthers were penalized for roughing the passer, however, and the Owls had new life at the Orange 29.

From there, Ligon and Hackebell, along with Gele McAnelly, went to the 11, and Brian Finger hit Ray Garcia with a touchdown pass from that point with 8:28 left in the second quarter. The kick was no good, but the Owls drew first blood, 6-0.

The Orangemen took the kickoff and set up their own drive, but it ended abruptly at the Hondo 35 when Mark Buescher picked off a Glynn Tschirhart pass. A personal foul penalty further improved the Owls' position, down to the Orange 46.

From there, in six plays, the Owls had scored again this time on a 34-yard halfback pass from Ligon to Terry Mechler, who was open in the end zone. The two-point conversion try failed, and the Owls led 12-0 with 3:31 left in the half.

The Orangemen were determined to score before halftime, and Pimentel ran the kickoff back to their 38-yard line. From there came a 29-yard pass play from Tschirhart to Gilbert Espino, to move into Hondo territory. Five plays later, Tschirhart hit Chris Keller in the end zone from 14 yards out, and the Panthers were on the board. Their kick by David DeCock was good, and the halftime score stood 12-7, Hondo.

The second half was much the same as the first. Medina Valley took a short kickoff at their 41-yard line and aided by a roughing-the-passer penalty on Hondo, Tschirhart passed and ran down to the Owl 6. From

there, he hit Keller again in the end zone and Medina Valley took the lead. DeCock's kick was true, and five minutes into the second half, the Panthers led 14-12.

Taking the kickoff on their own 25, the Owls started another long march, once again with Hackebell alternating with Ligon. From two yards out, Ligon barged off tackle to regain the lead with 2:26 left in the third quarter. The two-point conversion run by Ligon made it 20-14.

The Orangemen took another short kick at their 39, and behind Tschirhart passing and runs by Joe Salinas, they worked their way down to the Hondo 10, with first and goal.

Juan Campos met Armando Pimentel head-on, and drove him back a yard. Two incompletes later, Medina Valley faced 4th and 11 for a touchdown. Tschirhart lofted a pass deep into the end zone. Waiting for it was Keller and a host of Owls, but Keller stole the pass at the back of the end zone for the tying score. DeCock kicked the point-after under pressure, and with 11 minutes in the game, the Panthers led once again.

Hondo, working from their 18, started back up the field. Held for three tries, they faced fourth and two near mid-field. They went for it, and Tony Hackebell made the two plus six more, to keep the push alive.

Five plays later, the drive sputtered and died at the Medina Valley 28 as a second fourth-down try failed.

The Orange could not move either, and were forced to punt from their 10-yard line. The Owls began another drive, and had reached the Panther 17 when a penalty moved the ball out to the 22. From there, attempting to find a receiver, Finger was rushed hard for an 8-yard loss. Keith Ligon brought the ball back upfield, but with fourth down and one minute to play, a field goal was attempted. The angle was fairly sharp, and McAnelly's effort went wide.

After falling on the ball

three times, the Panthers joined their jubilant fans on the field to celebrate the win.

Owls still in top ten

The Hondo Owls fell to ninth place in the weekly State high school 2-A football ratings this week after last Friday's 21-20 upset by Medina Valley. However, a second Medina County team has appeared in the top ten for the first time this year.

The Devine Warriors have moved into the top ten and rank in tenth place this week, just three points behind the Owls.

The Warriors host Medina Valley in a battle of the unbeaten this Friday night at Warhorse Stadium.

Childress continues to be rated as the state's top 2-A team, followed by defending champion Jacksboro.

In other classifications, San Antonio Lee is rated number one in 4-A.

Uvalde still is top-rated in 3-A, and Comfort retains its top spot among 1-A schools. Rule is the state's top Class B school.

The Devine-Medina Valley game will be heard on Saturday morning beginning at 8:30 a.m., over KRME.

Impossible!

Irrigate 10 acres of peaches with a back yard well? Yes, impossible with old irrigation methods. But not with new drip systems! We'll show you how to irrigate 10 acres of peaches, 5 acres of pecans, or a 1 acre truck crop with a water flow of only 17 gal. per minute. And you won't get your feet muddy either! It's hard to believe.

- Pays for itself & saves labor
- Turn a valve to irrigate
- No pipes or sprinklers to move
- Fertilize through the system
- Puts water in the root zone
- Faster growth
- Higher yields

- ★ Proven on thousands of installations in the U.S. & world-wide
- ★ Specialists exclusively in drip & trickle methods
- ★ Agents for Dripeze & Chapin—the best available
